Workshop

*Harmony of space and time –
intense flow of energy*

The calmness of the neo-classical interior quickens the spirit to open up to new perception and novel experience.

The ballroom exudes an atmosphere of monasterial tranquility, inspirational frugality, mediterranean vitality, Venetian morbidity, poetic simplicity, and meditative concentration ...

The ballroom has got positive karma.

Summer School

The Ballroom Studio may be rented for seminars, lectures, conferences, and conventions.

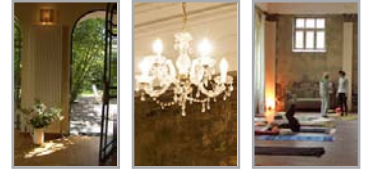

Seminar participant, yoga 2007
